Michel Soto 2019

For voice,  
recorders (gretbass, bass and alto)  
and fixed electronics.

# Indicaciones

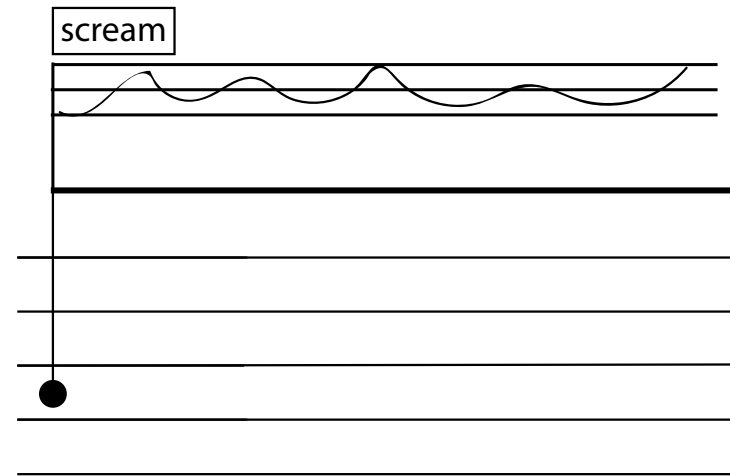

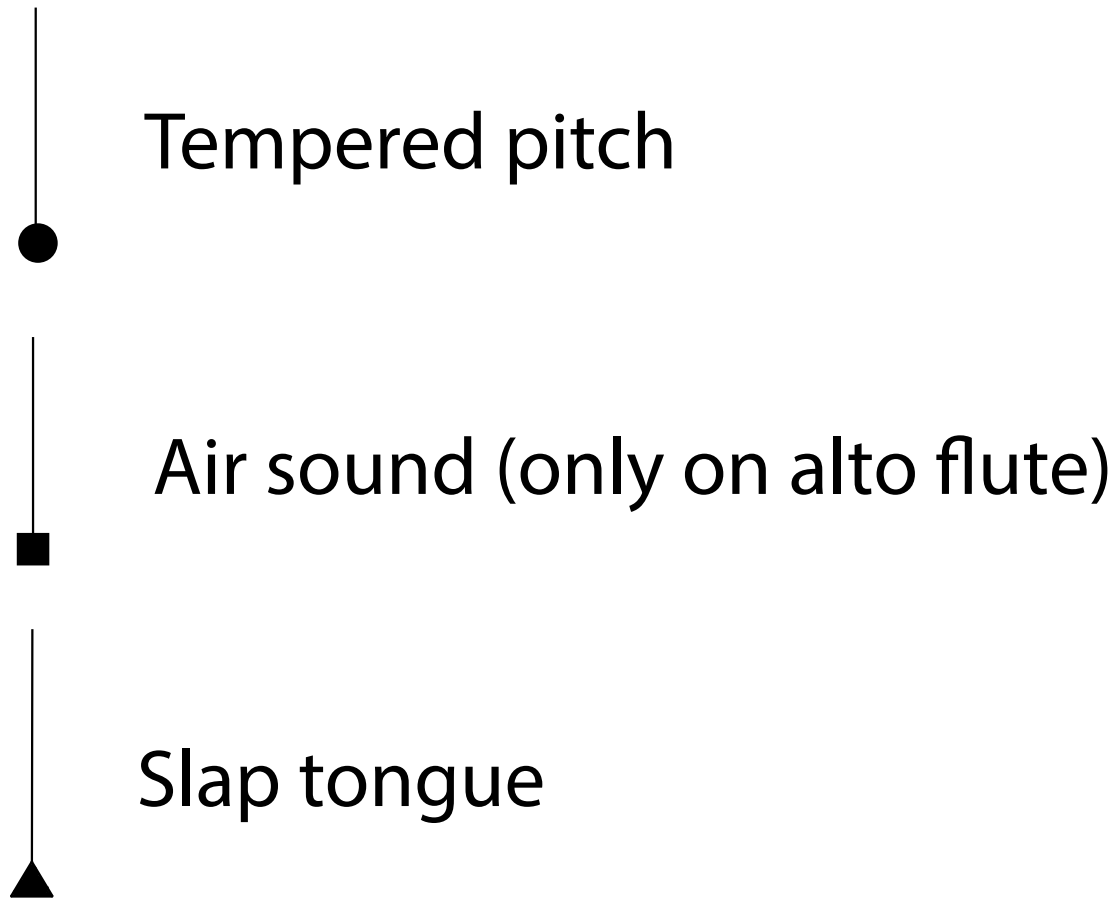

## Voice:

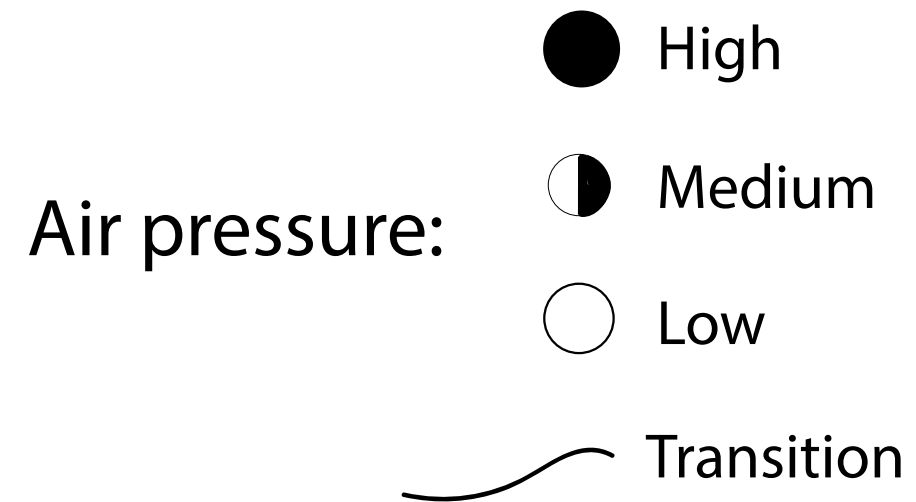

3 lines: For non pitched sound it indicates the type of vowel or transition between them that filters the sound.

Notation works in a spacial grid. Notes are distributed in time(seconds). The rithmic notation is not specific, instead it works as a gesture in time.

# Recorders:

Scream inside the instrument. 3 lines indicates pitch transitions.
